

The screenshot displays a user interface for a KPMG video course. At the top, the **Course title** is shown in a blue header: **Statement of cash flows: Latest issues**. Below the title is a **Video display area**, which shows a video of Tim Phelps, a Partner, wearing headphones. The video player includes a play/pause button, volume control, and a progress bar indicating the video is at 1:24. To the right of the video is a **Slides panel** showing a slide titled "Statement of cash flows: Latest issues" with a hand writing on a graph. Below the video and slides are **Video control bar** buttons for play, pause, and volume, along with a slider and a refresh icon. On the far right is a vertical **Navigation bar** containing a **Help** link (a question mark icon), a **Video playlist** (a list of 9 video entries), and **Resources** links for **Resource** and **Glossary**.

Course title: Statement of cash flows: Latest issues

Video display area: Plays the video that you select from the right panel.

Video control bar: Allows you to play/pause/replay the video. As you view the video, the slider will be active for that section of the video, and you can drag the slider within that section.

Help: Displays this navigation screen that provide details of the course UI.

Video playlist: Displays the list of videos in the course, click each sequentially to view them.

Glossary: Displays important terms and their definitions.

Resources: Provides supporting documents like slides with hyperlinks.
